 - Podcasts

Onsite Workshops

Full Day Workshops

- MAP Administration
- MAP Administration for Primary Grades
- Stepping Stones to Using Data
- Climbing the Data Ladder
- Growth and Goals

Onsite Workshops

Half Day Workshops – 3 Hour Modules

- Applying MAP Data and Resources
- Differentiated Instruction
- Dynamic Reporting Suite
- Essential Reports
- Evaluating Growth Patterns
- Goal Setting and Communication
- Instructional Ladders

Onsite Workshops

- Individual – held at district for up to 40 participants
 - \$3200 - \$3700 for full day
 - \$2700 - \$3200 for half day
- Shared – one district hosts and shares cost of workshop with other districts for up to 40 participants
 - \$3200 - \$3700 for full day
 - \$2700 - \$3200 for half day

Onsite Workshops

Custom Workshops

Based on a variation of existing training content

- Full Day - \$3700 - \$4200 for up to 40 participants
- Half Day – \$3000 - \$3500 for up to 40 participants

Long Term Planning

- Where are you now?
 - What are your current assessments?
 - What are the purposes of each assessment?
 - What gaps or redundancies exist?
 - What do you currently do with the data?
- Where do you want to be in 3 years?
 - What are your priorities?
 - What are your accountability benchmarks?
 - Who is responsible for accomplishing your goals?
